Hi,

Over the past eight years Ipswich City Council has been supporting me in my venture to make a career as a successful Performing Artist in the way of grants, performance opportunities and also the Master Classes program which is staged annually.

*Universal Studios in Osaka*

I have been a bursary recipient in the Dance, Drama & Voice disciplines and have had an opportunity to learn from and work with Masters whose reputations in the industry precedes them.

*Performing!*

For the past 3 years I have obtained work as a professional performer and I have just returned from a year in Japan where I was working as a singer at Universal Studios in Osaka. The support and opportunities I have received from Ipswich City Council and the lessons I have learned from participating in the Master Classes program have contributed greatly to my abilities and skills in the field of entertainment.
